The Budget Estimate for 1934-35 with a copy of the

Estimate

Estimate for 1934-35.

3. Purchase of a Roneo Duplicator:- Till recently, duplicate copies were being prepared by means of a cyclostyle machine which was purchased in 1923. It has now become unserviceable and needs replacement. Much inconvenience is now felt for preparing copies and practically the work is now being done by duplicators of other offices. The purchase of a Roneo Duplicator is, therefore, quite essential and accordingly provision for this has been made in the Budget Estimate for 1934-35. This may be sanctioned.

Memo No. 1309C-1D/1615-34,

Budget estimate for 1934-35 of the D.E.C, South Kanara- Letter from the President, D.E.C, R.C.No.368/33, d/22-11-33

It is observed that the lowest tender for printing the lists of elementary schools, reported in the President letter R.C.No. 342/32, d/21-9-33, was Rs.300. The necessity for a provision of Rs. 325 for the purpose in the B.E for 1934-35 may be explained.

In view of the fact that the number & character of elementary schools in the Dt. is likely to undergo material changes when the scheme of consolidation and concentration of schools is introduced, the question whether the printing of the lists cannot advantageously be postponed till after the scheme referred to above is introduced

the President is requested to consider in this connection and report on the

2. The necessity for the expenditure under 'Law charges' proposed in the estimates should be clearly explained.

From (Name) M. R. Ry. Rao Bahadur H. Venkat Rao Avgl.

(Designation) President, Dt. Educational Council, South Kanara.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

With reference to Government Memorandum No. 1309 C- 1 Law (Education) dated 15. 5. 1934, I have the honour to explain as follows:-

The lowest tender of Rs.300/- reported --- in this office R.C.No. 342/33 dated 21. 9. 1933 is only an approximate figure, the tenderer having furnished his quota at about Rs.300/-. An extra amount of Rs.25/- was therefore provided in the Budget Estimate of 1934-35 in order to meet any unforeseen contingencies. This extra

mount will be treated as savings if the cost of printing oes not exceed Rs.300/-.

There is however no objection to put off the - ork of printing the lists of Elementary schools, till the cheme of consolidation and concentration of Elementary - chools is finally settled.

As regards " Law Charges ", I have the honour tate that there may be occasions to recover through a La ourt, any equipment or building grants paid to schools - n case they are closed within the prescribed period. He ie provision of Rs.25/- made.

I have the honour to be,

Sir,
